

A diagram consisting of three circles stacked vertically. The top and bottom circles are blue with a white number '2664' inside. The middle circle is green with a black number '2664' inside. Each circle has a thin grey border. The circles are connected by short grey lines: one line connects the bottom of the top circle to the top of the middle circle, and another line connects the bottom of the middle circle to the top of the bottom circle.
